PETITION

Dear Sir:

The assignee, Delphi Technologies, Inc., hereby petitions the Commissioner with a request to file the subject application without the signatures of all of the inventors.

In the application, there are three inventors, namely Mostafa Abidi, Christian G. Hillard and Remi B. Loevenbruck. Mr. Hillard and Mr. Loevenbruck have signed the Declaration, which is filed herewith. Mr. Abidi is no longer employed by the assignee. Mr. Abidi was contacted by phone by assignee's employee and indicated an unwillingness to cooperate in signing the Declaration. Also, the Declaration was sent to the last known address of Mr. Abidi and was returned as undeliverable. This puts Delphi Technologies, Inc. in a situation of having to proceed without the signature of Mr. Abidi.

Exhibit A is the signed Declaration of Mr. Hillard and Mr. Loevenbruck.

As such, Delphi Technologies, Inc. has no choice but to petition to proceed without the signature of Mr. Abidi.

Appln. No.: 10/826,872

It is respectfully requested, therefore, that the Commissioner grant the present Petition to file the subject application in the name of Delphi Technologies, Inc. on behalf of the inventor, Mr. Abidi.

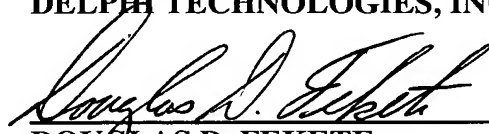

The Patent Office is authorized to charge or refund any fee deficiency or excess to Deposit Account No. 50-0831.

Respectfully submitted,

DELPHI TECHNOLOGIES, INC.
